### Volunteer Spotlight

About five years ago, Bob and Penny Moore began delivering Meals-on-Wheels in Keene. Penny was the one who started as a volunteer, and Bob would go along with her on the

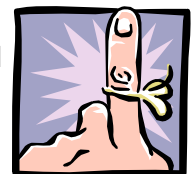

route. Not too long after that, Penny got a new job in Fort Worth, which meant she could no longer deliver the route in Keene, and Bob stepped right in. Not only does Mr. Moore deliver a regular route each Tuesday and every other Friday, but he is very gracious to help out on other days and routes when the regular volunteers are not able to make it. Bob and Penny have been married 25 years and live near Keene.

According to Bob, they have "about a dozen grandkids, and even great-grandkids, six of them." Bob grew up between Cleburne and Glen Rose, and he retired in 2000 after working at a cement plant for 32 years. Meals-on-Wheels has become a regular part of Bob's week, and he really enjoys being able to help out.

**THANK YOU**, Bob and Penny! You have become a vital part of the volunteer force in Keene over the past five years, and we are so grateful to you for that.

### **Reminder**

**Please note that our offices will be closed on Monday, September 7th in observance of Labor Day, and we will not be delivering meals. Clients will receive a frozen meal in advance for that day.**
